Patient Responsibilities

As a patient at Nebraska Urology (NU) / Urology Surgical Center (USC), you have the following responsibilities:

To provide NU/USC with complete and accurate information about your past immunizations, illnesses, hospitalizations, any medications, including over the counter and dietary supplements, and any allergies or sensitivities.

To follow the treatment plan prescribed by your provider. To ask questions if you do not understand the directions or treatment being given by provider.

To provide a responsible adult to transport you home from the facility and remain with you for 24 hours, if required by the provider.

To inform your provider about any living will, medical power of attorney, or other directive that could affect your care and supply a copy of this for the NU/USC records. However, due to the nature of an ambulatory surgery center, Urology Surgical Center will suspend your Advanced Directive at our facility. In the event of an emergency, we will attempt to stabilize you and transfer you to an acute care facility for evaluation and treatment as appropriate.

To know your insurance coverage and to accept personal financial responsibility for any charges not covered by your insurance.

To be respectful of all health care providers, staff and other patients and to respect their privacy.

To keep appointments or telephone NU/USC within a reasonable time prior to your appointment if you need to cancel or reschedule that appointment.

To adhere to COVID-related policies and procedures set in place by NU/USC and by local, state or federal entities.

Any complaints about the violation of these rights and responsibilities may be directed to the Clinical Director, Administrator, or Medical Committee Chair.
